To the Menno-Union Township High School, we dedicate this, our 1951 edition of the KISHACO QUILL.

We have labored in your rooms, loafed in your halls, and had many good times at your basketball games, baseball games, and parties.

We will always remember you when we think of our twelve years of school and will cherish many fond memories.

We know you will continue to educate the young people of Belleville and Allensville in the future as you have done in the past.

CLASS HISTORY

In the autumn of 1939 Miss Byler gave twenty-one eager boys and girls their first taste of public school in the Menno Township School in Allensville. These same eager boys and girls took their high-school entrance test in May, 1947, and entered A. H. S. as fourteen timid freshmen who were soon initiated. Major activities of their junior year were a visit to the Pennsylvania State Farm Show and a moonlight hike up Stone Mountain. The activities of the eleven distinguished seniors of Allensville High in 1949 included a visit to the state capital; a tour of Gettysburg; a day at the Pennsylvania State Farm Show; a trip to Philadelphia; presentation of the play, "Keep Moving", with Mrs. Allison as director; selling magazine subscriptions; moonlight hike up Stone Mountain; the alumni banquet; the Senior Banquet at Helfrick's Inn the Pines; Graduation -- an everlasting memory; and a trip to Washington, D. C. Because of the consolidation of Menno and Union Townships they entered the high school at Belleville for their final year.

Meanwhile in Union Township.....

In 1939 the doors of Belleville Vocational School were opened to twenty-nine shining faces supervised by Miss Honoure. After eight years of study and sport they took their "Entrance Exam" and found themselves ready to enter B. H. S. in September, 1947. At the annual Halloween party we were formally introduced via the initiation by the seniors. To raise the financial status of the class, the boys sold Christmas trees. Outstanding events of the sophomore year were selling Christmas cards; a surprise birthday party for their advisor, Miss Seese; and receiving their green-and-white class hats. Their junior year started with a bang by the choosing of class rings and pennants. They gave one of the best Junior-Senior Proms B. H. S. ever had. Easter candy sales provided the cash for that event.

And now in 1950.....

They finally reached their goal--Seniors! Prime events which occurred were the initiation of the freshmen at the Halloween party; a very successful senior play directed by Mrs. Fleming; selling Christmas candy; a gala Junior-Senior Prom by the juniors; baccalaureate; and the publishing of the yearbook under Miss Jones' direction. The final event was graduation, as the first graduating class of M. U. H. S.

ESSO

THE CLASS PROPHECY Of 1951

July 10, 1958

Dear Mrs. Fleming:

Seven years is a long time, but to me it seems like only yesterday that I was sitting in your classroom.

The other day I unexpectedly met Katharine Stuart at Grand Central Station and by a strange coincidence was headed in the same direction as she was. I invited her to have lunch with me and through the course of our conversation learned the careers and professions our fellow classmates are pursuing. Thinking that perhaps you would be interested in knowing what walks of life different ones chose, I decided to sit down and write to you.

Katharine is teaching French at Wellesley College in Massachusetts and told me she wouldn't give it up for the world.

Beverly Wray and Dorothy Weber have positions as secretaries in the National Capitol and Fern Smucker is employed as a secretary at Sears-Roebuck and Company in Harrisburg. Janice Diffenderfer is private secretary for the president of the Chrysler firm in Altoona.

I was told Jim Kitting and Karl Westover are in partnership and own what was originally Noerr's Garage in Lewistown. Here's hoping their business is always as prosperous as it is at the present.

Ruth Kauffman and Reba Baker must not be able to resist anything connected with school. Ruth is teaching the fifth grade in Mifflintown and Reba is a physical education major, teaching near Harrisburg at the Camp Hill High School.

Having a rather high position on the staff at Jonn Hopkins Hospital in Baltimore, Sue Campbell no doubt has made her dream of owning a convertible become a reality.

Ruth Ann Allison is night supervisor at J. C. Blair Hospital in Huntingdon.

Do you remember how very fond of music Marvin Yoder was? He has received his Master's Degree and is now head of the music department at Susquehanna University.

I see Glenn Yoder and Glenn Crownover quite frequently, as Glenn Yoder is a pilot and I'm a stewardess for Pan-American Airways and Glenn Crownover is employed as an airplane mechanic at LaGuardia Airport here in New York City.

Robert and Ronald Young have expanded J. M. Young & Sons and now have offices in State College and Lancaster.

From what I was told, I gather Jim Yoder is doing quite well in the dairy business by owning a large dairy farm just outside Belleville. Also residing near Belleville are Peggy Krepps, Esther Peachey, and Linda Kauffman, who are very competent housewives.

Eugene Peachey has taken over the Earl S. Beal Garage on Electric Avenue in Lewistown. His main ambition has always been to sell automobiles.

During a twenty-four hour layover at Chicago on a routine flight, I visited the beauty salon at the Chicago airport; much to my surprise, I discovered Patsy Harmon has just been employed as head beautician.

It is nearing flight time and I have some packing to do, so I must close.

Yours truly,
Helen Stuter

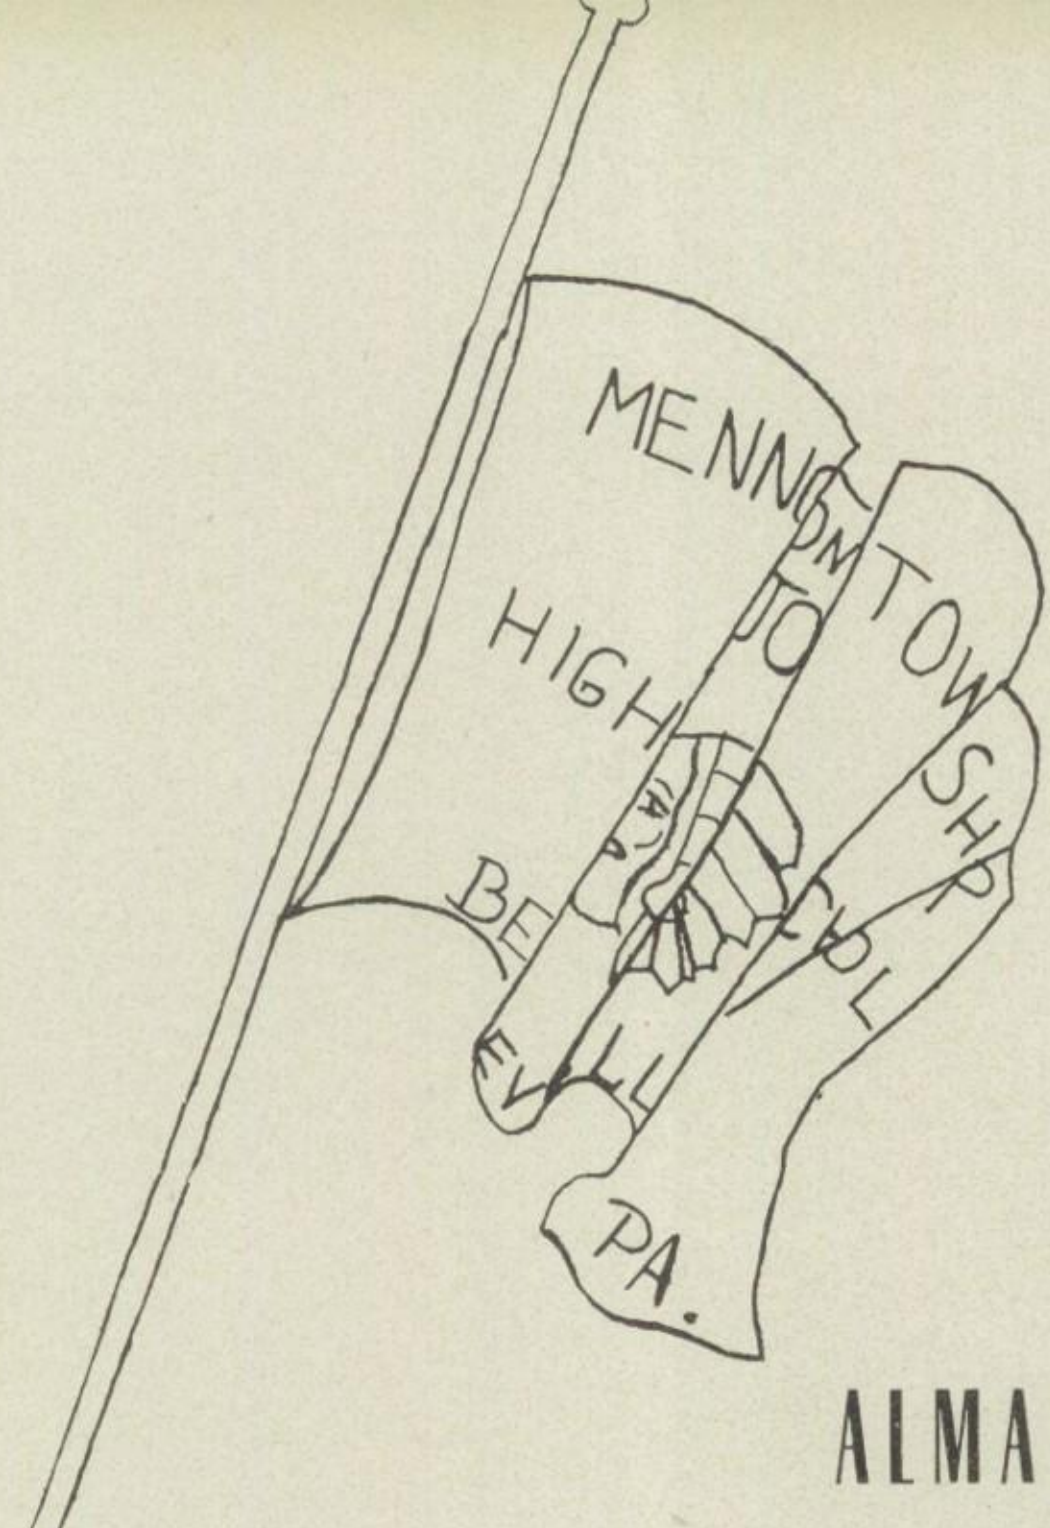
PROGRAMS



ALMA MATER

Faithful and true hearted, let us cheer our dear Old High.
We revere her and defend her, as her colors proudly fly.
We will stand for her, united; of her deeds we gladly tell--
Her colors streaming, glad faces beaming,
So here's a cheer for her that we all love so well.

Honors she has taken, in the track and with the ball.
May she always rank the highest; may her colors never fall!
There's no other that can match her, when her team is on the field.
Her boys, the fleetest; her girls, the sweetest.
Then here's a cheer for her--for her who ne'er will yield.

(Refrain)

Joyous and ever loyal, let us cheer for our Old High.
Let every heart sing; let every voice ring. There's no time to grieve or sigh.
It's ever onward, our course pursuing; may defeat ne'er our ardor cool.
But, united, we will boost for her--our Old High School.
